Crystal QUEER

The name Crystal Queer reflects the young people's journey in being comfortable with themselves in the LGBTQIA+ and Brimbank community.

The young people aim to be crystal clear with sharing their identity with the wider community who either identify or not as LGBTQIA+.

Want to get together with other queer young people to take part in a fun program that celebrates sexual and gender diversity? Crystal Queer is for LGBTIQ+ young people aged 15–25 (with consideration made for young people attending under the age of 15).

When: Fortnightly Thursday afternoons 4–6pm

What: Craft, social fun, event planning and chats.
Snacks provided!
