

EMPOWERING YOUNG PEOPLE TO TRIUMPH OVER ADVERSITY

INSEARCH OF POTENTIAL

INSEARCH OF SUPPORT

INSEARCH OF HOPE

REFER A YOUNG PERSON

If you already have a unique Referrer link please use that, if not below is a generic referral link, after this form is submitted, a Youth Insearch Coordinator will contact the referrer to arrange a briefing and link the young person with a mentor.

ONGOING SUPPORT

- Peer-to-peer support Virtual Support Groups on weekly basis
- Regular contact with local program staff

CONNECT WITH US

Young people aged between 14-20 can be referred to Youth Insearch, and once referred are introduced to the Youth Insearch program by the following steps.

1. Briefing is a **meeting** with a Coordinator to discuss our current program, watch our **briefing video** (which explains what Youth Insearch is all about), and complete the **intake survey**.

2. Introduction is a **quick connection** with a local young person (mentor) who is already involved in the Youth Insearch program, and who will attend the Foundation Workshop alongside the newly referred young person.

3. Virtual Foundations Workshop is a virtual session to introduce the young person to the program. An invitation is **sent by email** to enable the young person to attend the video meeting scheduled in Microsoft Teams alongside other young people across QLD, NSW and VIC.

VIRTUAL FOUNDATIONS WORKSHOP ALTERNATE TUESDAYS 4:30-6:00PM

Virtual Foundations Workshops are facilitated by young Youth Insearch Leaders, who have been through the Youth Insearch program themselves and can relate to the experience of newly referred young people, as well as a qualified staff member to assist and provide technical support.

Following attendance at the Virtual Foundations Workshop, young people transition to their local weekly Virtual Support Group for when it is scheduled the following week.

WORKSHOP SESSIONS

Welcome and introduction
Shared experiences
Communication
Music
Heart in the Wall
Self-esteem
Self-care
Trust
