

## The Bold Source ISSUE 2

### Submissions Guidelines

*“We are looking for everyday story tellers to inspire, educate and create change, big and small, one epic story at a time.”*

Welcome friends!

*Transformation* involves trusting the unknown and delving into something uncertain. It can happen within ourselves, in our communities and beyond. What are ways we can reshape how we see the world and reimagine our future? How have you challenged yourself or others to change?

*Metamorphosis* is the transition between stages. Teenager to adult. Normality to global pandemic. It can be to adapt without warning. How have you coped during periods of immense change and uncertainty?
