Please help us spread the word

We would love to have this information disseminated in school newsletters or notices, and by art teachers. We know curriculums are carefully planned, but the Prize could also be factored into arts classes (perhaps as a goal, rather than a set activity).

The artwork needs to be completed, photographed, and submitted online before entries close at **12 noon on Monday 20 March 2023**.

For news and information regarding dates, prizes, terms and conditions and more, [visit the Footscray Art Prize website](#) or contact info@footscrayartprize.com.

This is a great opportunity for a pupil at your school to experience the thrill of exhibiting their work and potentially be rewarded with a great prize.

We hope you can help us get the word out to students and parents! Please find attached a poster that can be distributed through your networks.

Best wishes,

The Footscray Art Prize Team
