

SUBMISSIONS CALL-OUT

Issue 4

**Solidarity:
Social Justice
in Action**

Are you a young person aged 10-25 who lives, works, studies or socialises in Brimbank?

The Bold Source wants to hear from you.

This year, The Bold Source magazine is focusing on a *new theme*. We are on the hunt for creative work, both visual and written, that explores the topic of **Solidarity: Social Justice in Action**

Solidarity is about **action**, not just words. It's about being an **upstander** and working **together** to build a **brighter future** for each and every one of us.

We want to hear your thoughts on what solidarity means to you, as a young person in our community.

- What do you think solidarity looks like?
- What does it feel like to see, receive or give an act of solidarity?
- What would the future look like if people lived in solidarity with one another?
