You're invited to a Schools and Community Organisations Exchange hosted by Brimbank City Council.

Join Katrina Weller from Grow with Grief for an interactive professional development opportunity that offers evidence based tools, techniques and strategies to support young people impacted by grief and loss.

Grow with Grief's approach shows that **talking about grief doesn't have to be all doom and gloom**. Through candid conversations and pro-active engagement in learning, we can feel empowered in taking the steps to **make the uncomfortable, comfortable**.

This session is being offered both in-person and online as part of Council's regular exchange. Council facilitates the exchange program twice a year in Terms 2 and 4 with the aim to build networks and develop reflective practices within the education and community sector in Brimbank.
